

CRS Individual Self-Certification Form

Please read these instructions before completing the form

Inland Revenue require Heartland Bank to collect and report certain information about an account holder's tax residence.

Each jurisdiction has its own rules for defining tax residence, and jurisdictions have provided information on how to determine if you are resident in the jurisdiction on the OECD AEOI Portal. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). If you are a U.S. citizen or tax resident under U.S. law, you should indicate that you are a U.S. tax resident on this form.

For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal. If your tax residence (or the account holder, if you are completing the form on their behalf) is located outside New Zealand, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to Inland Revenue and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

You can find summaries of defined terms such as an account holder, and other terms, in the Appendix.

This form will remain valid unless there is a change in circumstances relating to information, such as the account holder's tax status or other mandatory field information that makes this form incorrect or incomplete. In that case you must notify us and provide an updated self-certification.

This form is intended to request information consistent with New Zealand law requirements.

Please fill in this form if you are an individual account holder, sole trader or sole proprietor.

For joint or multiple account holders, use a separate form for each individual person.

Where you need to self-certify on behalf of an entity account holder, do not use this form. Instead, you will need an "CRS Entity self-certification form." Similarly, if you are a controlling person of an entity, please fill in a "CRS Controlling person self-certification form" instead of this form.

If you are filling in this form on behalf of someone else. Please tell us in what capacity you are signing in Part 3. For example, you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a power of attorney. A legal guardian should complete the form on behalf of an account holder who is a minor.

As a financial institution, we are not allowed to give tax advice. Your tax adviser may be able to assist you in answering specific questions on this form. Your domestic tax authority can provide guidance regarding how to determine your tax status.

You can also find out more, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD automatic exchange of information

Appendix – Definitions

Note: These are selected definitions provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS), the associated Commentary to the CRS, and domestic guidance. This can be found at the following link: <http://www.oecd.org/tax/transparency/automaticexchangeofinformation.htm>

If you have any questions then please contact your tax adviser or domestic tax authority.

'Account Holder' The term 'Account Holder' means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

'Financial Account' A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

'TIN' (including 'functional equivalent') The term 'TIN' means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link: <http://www.oecd.org/tax/transparency/automaticexchangeofinformation.htm>

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a 'functional equivalent'). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
